**COMMERCIAL
INFORMATION:**

Q-Connect spiral cable wrap. Easy to use, wraps around your cables up to 20mm in diameter. This cable organizer tube is perfect for all cable bundling management in your home room, cinema theater or office. Protects the wires from being trampled, or from pet's bite, as well as protecting people or pets from electric shock. The spiral tube also prevents dust buildup around your cables. You can easily insert or remove your cables at each individual port in the spiral tube, ideal for solving cable tangle. Use the included cable guiding tool for easy installation. Can be cut at the desired length, and the cut cross section will not be sharp, due to the soft PE material. The flexible spiral sheath can be rotated at any angle without damaging your cables. This pack contains a 2,5m long Black spiral cable wrap tube with 20mm diameter.
