PRODUCT WIDTH:	90
PRODUCT HEIGHT:	3.5

**COMMERCIAL
INFORMATION:**

Q-Connect lockable display with a smooth, pinnable and velcro-friendly Blue felt surface, ideal for displaying announcements, company memos and much more using push pins or velcro in a secured display. A strong, secure, and lightweight solution to display important notes, pictures, and so on, in the common areas of labs, schools, and other public spaces. The frame is made of aluminium, with rounded corners for increased safety. There is clear visibility of the displayed items due to the swinging acrylic door, which can be locked to protect the inside materials from hampering, manipulation, or the weather. This lockable board comes with 2 keys, supplied complete with wall fittings. Size: 1200x900mm.
